

HEADQUARTERS STRATEGIC AIR COMMAND
UNITED STATES AIR FORCE
OFFUTT AIR FORCE BASE, NEBRASKA

REPLY TO
ATTN OF: **DIMD**

SUBJECT: Request for Contract

30 Nov 59

TO: Hq USAF (AFCIN-1B2)
Washington 25, D. C.

1. Reference letter, AFCIN-1A2, Subject: Individual Photo Interpretation Viewers, 28 July 1958, and letter, AFCIN-1B2, Subject: Transmittal of Minutes, 25 November 1959.
2. Request a contract be let to the Itek Corporation for the accomplishment of the tasks described in their proposal dated 14 July 1959 under Schedule V, Estimated Costs for Programming Services, and Schedule VI, Estimated Costs for Training Program. Request funds be allocated to permit work to begin on or about 15 January 1960.
3. The attached work statement describes this command's requirements and should be used as the basis for the contract. In addition, the following requirements must be satisfied:
 - a. The maintenance and operation training program must be expanded within the present funding. Provision must be made for the services of a resident technician at Offutt AFB for a period beginning with the delivery of the first of each type of viewer and continuing until a satisfactory operational and maintenance capability is achieved by the 54th Reconnaissance Technical Group, but not to exceed six months after the delivery of each type of equipment.
 - b. Maintenance training must also provide for one or more maintenance technicians from the 54th Reconnaissance Technical Group to be present at the factory to observe the assembly of the first item of each type of instrument constructed by Itek.
 - c. Certain key personnel of the Itek Corporation must be authorized clearances for these advanced reconnaissance systems in which SAC units will participate. These persons should include

Further, there shall be no provision in the contract that prevents discussion of any phase of this work, or disclosure of the findings, with or to properly cleared personnel of the Intelligence Directorate,
